OVERVIEW

Plants
Brampton · Ingersoll

Workers
3,959 displaced

Postings
Job Bank, Apr–Sep 2026

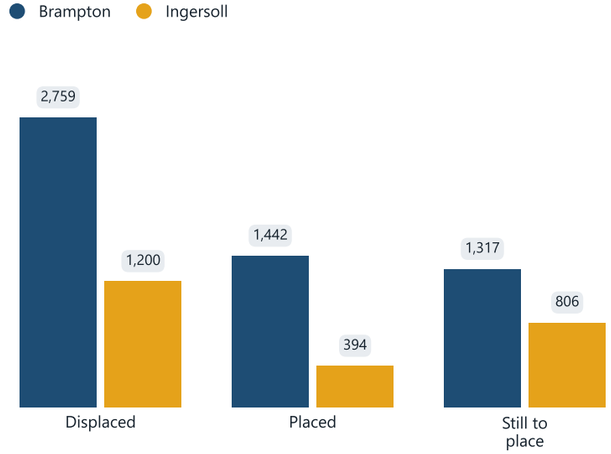

Scope
Both plants

Analysis and design by
Osman Zakaria, PMP

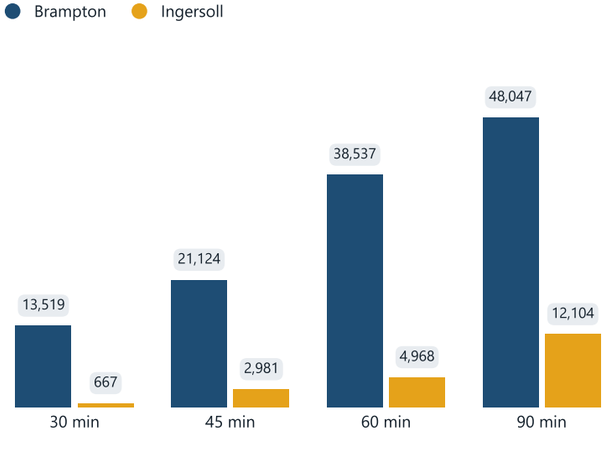

© 2026

3,959	89.6K	52%	33%	83%	69%
Workers displaced	Ontario job postings	Brampton placed in 12 months	Ingersoll placed in 12 months	Pay kept, Brampton placed	Pay kept, Ingersoll placed

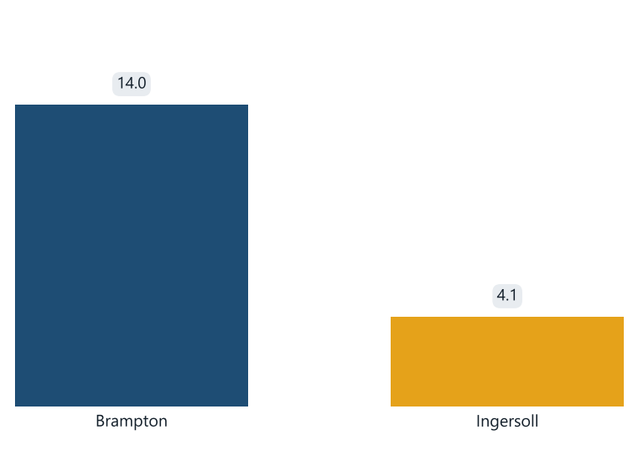

Displaced, placed in 12 months and still to place (workers)

Job postings within a rush-hour drive (Apr–Sep 2026)

Postings within 60 minutes per displaced worker

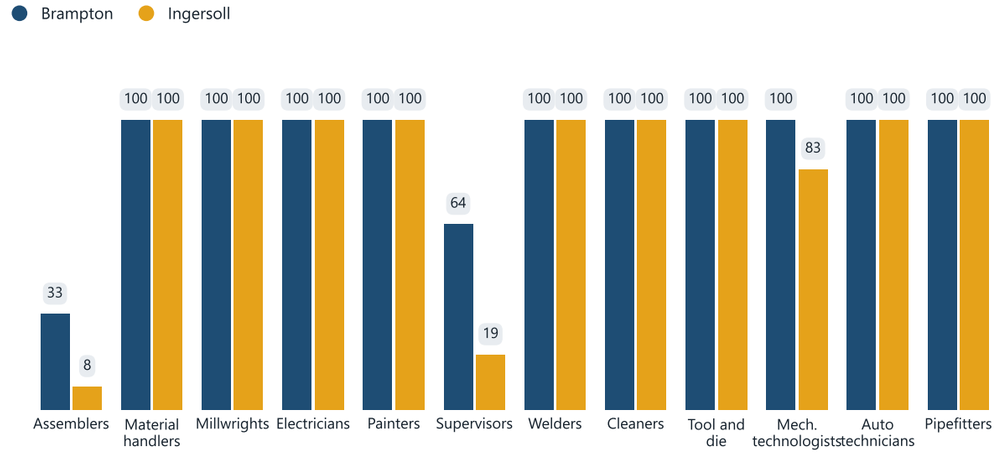

The workforce: estimated mix by plant job (workers)

Assemblers are 70% of both plants.
Mix is estimated; the seniority list would replace it.

Share placed within 12 months, by plant job (%)

Sources: ESDC Job Bank postings 2026-04 to 2026-09 (89,557 Ontario); OaSIS 2022 skills; ESDC Wages 2025; StatCan 2021 road network. Placement uses default assumptions: match 75+, 60%+ of pay, training up to 6 months, 10% of openings won. Independent analysis of public data. Not produced by or affiliated with Stellantis, General Moto
